About This Game

Zen Chess: Mate in Four is a minimalist chess puzzle game.

- * Designed for chess lovers of all levels (even if you just learned how to move the pieces);
 - * Solve 50 carefully selected mate-in-four puzzles;
 - * Enjoy a minimalist, beautifully designed chess board and pieces;
- * Original soundtrack, specially composed to help you keep your focus and concentration;
 - * Everything in the game was made with a lot of love and craftsmanship;

Can you find the four moves that will solve each puzzle? Give it a try and show yourself you are a truly chess master.
